Per your request, your classified vugraphs are returned herein.

On behalf of the DCI's Science and Technology Advisory Panel I want to thank you and Ernest McDavid and Howard White for the outstanding and very informative presentations you gave the Panel on 8 December 1982. We deeply appreciate the effort you all expended in traveling to Washington and in preparing and presenting the briefings. The FTD presentations contributed greatly to the success of the Panel's quarterly meeting.
